A numerical score sheet is used to select 20 students for each class. Points are assigned for: placement test scores, grades in prerequisite courses, volunteer hours, and written response on the back of this page. The students with the highest scores are chosen. Background check and drug screening are required for participation in the program. They will be completed after your acceptance to the program. Acceptable placement test scores would be would be ACT, SAT, or Accuplacer.

All prerequisite courses must be completed with a **C or better** before admission.

Please make a statement regarding your interest in physical therapy and your career goals. Your response must be hand written and is limited to the front and back of this page.
