

### **ACFN Student Math LAB Assistant**

Did you get a B or higher in your ACFN math course? Do you like helping your classmates? Would you like to make \$7.83 per hour? Then apply for an ACFN math lab assistant position!

ACFN Math Lab Assistants are needed for scheduled ACFN math labs for the 2009-10 academic year.

### **The ACFN Math Lab Assistant will:**

- Help students with MyMathLab assignments and administer minor technical support with MyMathLab questions during scheduled lab days.
- Assist students with using the resources available in MyMathLab such as the Study Plan, PowerPoint slides, online textbook, and the online tutoring services provided by MyMathLab
- Assist students with other computer related skills such as logging onto the computer, using Blue Ridge email, etc
- Collaborate with the tutoring program by referring students and assisting with questions pertaining to usage of on-line tutoring services provided by the institution.
- Closely collaborate with the developmental mathematics coordinator and the classroom instructor.
- Duties may not limited to these specified.

### **Minimum Qualifications**

- Successful Course Completion
  - To assist in ACFN 065 (Pre-Algebra), applicant must have successfully completed ACFN 065, ACFN 085 (Basic Algebra) or MATH 100+ with a B or higher
  - To assist in ACFN 085, applicant must have successfully completed ACFN 085 or MATH 100+ with a B or higher
  - Applicants who have completed ACFN 065/085 sequence and/or a MATH 100+ with a B or higher course may assist in both ACFN 065 and ACFN 085.
- Applicant must be technologically inclined and comfortable using MyMathLab

This is a wonderful opportunity to gain work experience and strengthen your resume. If you enjoy helping students strengthen their confidence and study skills with mathematics, this is the opportunity for you. AA/EOE
