

## Memo of Understanding

**Subject:** Change in Articulation Agreement between Shepherd University and Blue Ridge Community and Technical College

Blue Ridge Community and Technical College (BRCTC) has renumbered CAHS biology courses as follows:

OLD Number	Course Name	New Number
CAHS 101	General Biological Sciences I	BIOL 101
CAHS 102	General Biological Sciences II	BIOL 102

The courses are identical to CAHS 101 and CAHS 102 but renumbered. The Registrar at Shepherd University is already aware of the changes. The changed course numbers mean the pathway charts of the articulation agreement appear more alike as Blue Ridge CTC's BIOL 101 and BIOL 102 transfer to Shepherd as BIOL 101 and BIOL 102.

No further changes are requested.

Agreed upon and accepted with the signature of party below:
