I am currently looking for two reliable, hard-working, and enthusiastic Culinary Students to work as chef assistants during the fall 2012 term.

Qualified candidates must possess good verbal communication skills, be able to measure and weigh ingredients accurately and must have successfully passed CART 115 Safety and Sanitation and CART 245 Cooking Fundamentals to be considered for the positions.

The work day will be ten Saturdays throughout the fall semester from 8 am till 2pm. If interested, see Chef Steven Weiss (sweiss@blueridgectc.edu) at the Technology Center.
