Veterans Retraining Assistance Program (VRAP)

Congress passed, and the President has signed into law, the VOW to Hire Heroes Act of 2011. Included in this new law is the Veterans Retraining Assistance Program (VRAP). VRAP offers up to 12 months of training assistance to unemployed Veterans. The Department of Veteran Affairs (VA) and the Department of Labor (DOL) are working together to roll out this new program on July 1, 2012.

The VRAP offers 12 months of training assistance to Veterans who:

- Are at least 35 but no more than 60 years old
- Are unemployed on the date of application
- Received a minimum of an other than dishonorable discharge
- Are not eligible for any other VA education benefit program (e.g.: the Post-9/11 GI Bill, Montgomery GI Bill, Vocational Rehabilitation and Employment Assistance)
- Are not in receipt of VA compensation due to unemployability
- Are not enrolled in a federal or state job training program

The program is limited to 45,000 participants from July 1, 2012, through September 30, 2012, and 54,000 participants from October 1, 2012, through March 31, 2014. Participants may receive up to 12 months of assistance equal to the monthly full-time payment rate under the Montgomery GI Bill—Active Duty program (currently $1,473 per month). The DOL will offer employment assistance to each Veteran upon completion of this program.

Participants must be enrolled in a VA approved program of education offered by a community college or technical school. The program must lead to an Associate Degree, Non-College Degree, or a Certificate, and train the Veteran for a high demand occupation.

VRAP will provide training for programs of education that lead to a high demand occupation, as determined by the Department of Labor. The next page of this explanation sheet contains the categories and the approved list of programs offered at Blue Ridge Community and Technical College.
