Although Blue Ridge CTC's ENGL 110 is not equivalent to WVU's ENGL 101 or 102, the College of Agriculture and Natural Resources will permit students to apply these open credits as the GEF 1 requirement per the WV HEPC Core Coursework Transfer Agreement. Students will be able to register for ENGL 102 at WVU to complete the GEF 1 requirement.

Although Blue Ridge CTC's CHEM 127 is not equivalent to a Chemistry course at WVU, the College of Agriculture and Natural Resources will permit students to apply this course as the GEF 2B requirements per the WV HEPC Core Coursework Transfer Agreement.

For this agreement, the following course substitutions are being allowed:

- CS 1BE - AGEE 110

For this agreement, 15 hours of Agribusiness Electives from Blue Ridge CTC are being utilized to satisfy Restricted Electives within the Agribusiness Management curriculum.

ARE 491's summer internship is one of three options available to complete the Agribusiness Management Capstone requirement. Although it is the most commonly pursued option, students may forgo this summer session and complete the requirement via study abroad or thesis
