Blue Ridge Community and Technical College Mission: Blue Ridge Community and Technical College is dedicated to providing a diverse student population with collaborative programs and support services to improve the quality of life and promote economic development in its service area. Our quality academic programs are learner-centered and focus on career entry, university transfer, developmental education, and workforce development.

Blue Ridge Community and Technical College Vision: Our curriculum is integrated directly with the economic and workforce needs of the region. Programs of study are designed to meet the needs expressed by community members, advisory boards, employers, and workforce as reflected in an ongoing needs analysis of the region. Blue Ridge faculty and staff continuously analyze and modify the curricula and programs to meet the educational needs of an increasingly complex and technological society. The College intends to meet the educational challenges of the 21st century and to provide quality educational experiences for the population of the Eastern Panhandle.

Board Mission: The Blue Ridge CTC Board of Governors acts as a link between the community and the CTC President to guide the institution to be the best community college in the area.

Board Vision: That all citizens of the region have access to education, information and communication resources to help make the region a better place to live, grow and prosper.
