

# VIRTUAL WORKSHOPS

## Blue Ridge Community and Technical College is expanding virtual classroom capabilities!

Blue Ridge CTC is offering no-cost virtual workshops on a variety of topics! Participants provide feedback at the end of each workshop, offering suggestions for future courses. Enrollments are limited.

### Register Today!

Reserve your spot and receive the workshop link by emailing: [askme@blueridgectc.edu](mailto:askme@blueridgectc.edu)

#### Main Campus: 13650 Apple Harvest Dr., Martinsburg, WV 25403

Blue Ridge Community and Technical College provides opportunity to all prospective and current members of the student body, faculty, and staff on the basis of individual qualifications and merit without regard to race, color, sex, sexual preference, religion, age, national origin, sexual orientation, marital or parental status, familial status, veteran status, or disability. This advertisement is for informational purposes only. Printed and/or electronic documents produced by the College do not constitute a contract, expressed or implied, between an applicant or student. For important information about the educational debt, earnings, and completion rates of students enrolled in Certificate Programs at Blue Ridge CTC, visit: [www.blueridgectc.edu/GEinfo](http://www.blueridgectc.edu/GEinfo)

## Hydroponic Gardening for Beginners

May 27, 2020

1pm – 2pm

### No-Cost Community Workshop

Explore basic hydroponic gardening and the different types of hydroponic gardening techniques. Learn the differences between a DIY garden versus purchasing a ready-made garden. You will be amazed at the different ways to start hydroponic gardening.

This course is presented by Tiffany Hine, M.B.A., M.P.A., Program Coordinator for the Blue Ridge CTC Agribusiness Degree Programs.
