

Blue Ridge Community and Technical College, in alignment with the United States Department of Education Regulation 34 CFR 668.43 (a) (5) (v)), is required to disclose a list of states/jurisdictions where the institution's curriculum meets state educational requirements for professional licensure or certification.

Programs of study at Blue Ridge Community and Technical College that may result in a professional licensure or certification in this category include:

- Emergency Medical Services
- Health Information Management
- Nursing
- Real Estate Salesperson Training
- Real Estate Broker Training
- Physical Therapist Assisting

The chart below includes a determination for each program by state. Meeting curriculum criteria for state educational requirement does not include transferring a professional licensure or certification between states or jurisdictions. Additional requirements to transfer a certification or licensure may apply.

For details regarding initial licensure within a state or transferring professional licensure or certification, visit the association websites listed below for additional information.
