Registered Nurse (RN) License (30 Credits Required)		30	0
Current active, unencumbered registered nursing license^		30	0
120 Credits Needed for Graduation		63	57

^APUS will accept up to 39 hours of nursing credit toward the BSN program. This requires both the completion of an applicable Associates degree in Nursing as well as a current active, unencumbered registered nursing license.

†Per APUS' General Education Block policy, students with a conferred Associate of Arts or Associate of Science degree from a regionally-accredited higher education institution will be awarded transfer credit for APUS' General Education requirements (excluding **Required**). As the amount of transfer credit may not exceed the sum of transferrable credit the student earned, the amount of transfer credit applicable to the Electives will be reduced by the sum of General Education Block credit awarded.

*Credit variances in academic placement and credit award can occur based on student course selections and APUS' program requirements.

**Any transferable course not used to fulfill General Education or Major/Concentration requirements may be taken. Please note remedial/developmental and vocational credit is not transferrable.

Note: In order to transfer courses to APUS, the student must earn a grade of "C" or better.
