\*Courses listed in this term may be taken at any point during a student's progression toward this degree. This includes during the summer transitioning between Blue Ridge Community and Technical College and West Virginia University. Students should consult with academic advising to determine when completion of these courses is best suited for them.

Students transferring to West Virginia University under this articulation agreement will be accepted into the Criminology program if they have a C- or higher in SOC 101 (WVU SOC 101).

Unlike the other articulated plan of study to the WVU Criminology major, which are Associate of Arts degrees, this is an Associate of Applied Science (A.A.S). A.A.S. degrees do not satisfy the General Education Foundation requirements at WVU.

Therefore, as indicated in the final two years curriculum, students should work with their advisor to ensure the completion of this requirement. See [catalog](#)

Students completing degrees from the WVU Eberly College of Arts and Sciences are required to work with their advisors to integrate completion of an academic minor or minors into their programs of study. WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See <http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors. BlueRidge Community and Technical College students may begin completion of certain minors at BlueRidge by utilizing Elective hours to take courses equivalent to the minor's introductory requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.
