Students are encouraged to work with their advisor to select free electives that are beneficial to their intended career path. Students have the option of using credits designated as free elective to pursue a minor that complements the Animal and Nutritional Sciences BSA major.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science or Associate of Applied Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.
