AVAILABLE PROGRAMS

CULINARY ARTS JUMPSTART PROGRAM

Culinary Arts provides practical knowledge and skills necessary for an entry level position in the food service and hospitality industry. Students will learn culinary skills based on classic French cuisine, portion control and knife skill techniques. Baking fundamentals provides the skills needed for an entry level bakery position.

Students will learn scaling, measuring and mixing techniques. This program also provides a basic overview of food safety, nutrition and presentation. With completion, students can choose pathways to Baking and Pastry, Food Service Retail Management, Catering and Hospitality and Culinary Arts.

*Successful completion of CART 245 and 245L Cooking Fundamentals I lecture and lab awards students a micro-badge. Micro-badging is an Essential Employability Qualities (EEQ) certification that gives culinary students a competitive edge, equipping them with vital skills and dynamic badges to showcase their professionalism and readiness for the modern workplace.
