

Phlebotomy Technician Information

Overview

The 180-hour, 7credit, Phlebotomy Technician with Externship program prepares professionals to collect blood specimens from clients for the purpose of laboratory analysis. Students become familiar with blood collection and develop comprehensive skills needed to safely perform venipunctures. This includes 80 hours for didactic and 100 hours for externship. Phlebotomy Technicians may pursue careers in a variety of settings, including hospitals, health centers, medical group practices, HMO's, public health facilities, veteran hospitals, and insurance carriers

Tuition

Tuition for this course is \$2,000.00. This cost includes instruction, textbooks, classroom lab supplies, CPR Class, background check and drug testing. This fee does not include, general school supplies such as paper, pencils/pens or computers/laptops. This fee also does not include the uniform (scrubs) required for the externship.

Class Dates & Times

Class will meet in a hybrid format with some class being in-person at the Pines Opportunity Center in Morgan County, WV. Classes will be on Tuesday's and Thursday's from 5:30pm – 9:00pm as well as 5 Saturday classes from 9:00am-1:00pm. Times and days may vary per semester

Externship Work

Students work in a CLIA-approved laboratory setting and function under direct supervision of a phlebotomist. The externship portion requires one-hundred (100) uncompensated hours to be completed within four weeks. Externship locations are assigned the program coordinator. Students are expected to perform a minimum of one- hundred successful blood collection procedures, including venipunctures and dermal punctures. Students may be eligible to sit for the ASCP Phlebotomy Certification exam upon successful completion of externship.

Important Notice

All students must submit to random drug testing and a background check before participating in the Externship. In addition, students must provide proof of valid or current BLS for Healthcare Providers, have documentation of recent (within six months) physical, and provide proof of required immunizations, which may include the COVID vaccination.

Registration Steps

Application: Students must create an account through the Blue Ridge CTC website to complete the online non-degree application. Registration deadline is April 11, 2025.

How to Apply for the Phlebotomy Technician Program:

1. www.blueridgectc.edu
2. Click on the **APPLY NOW** button
3. For first time users → click Create ACCOUNT
If you have already completed an application → Log In to your account
4. Academic Plans:
 - **Select the term you plan to enroll...**
 - *Summer 2025*
 - **Please select the statement that applies...**
 - *I am enrolling as a non-degree seeking student*
 - **Please select the non-degree program that applies...**
 - *I am enrolling as a Phlebotomy Technician student*
5. Complete the remainder of the application

Registration: Once students have completed the online application, and it has been marked complete, they will then be enrolled into the course. An email will be sent to students notifying them of registration for the course as well as important information and medical forms that are required for the Externship portion of the course.

The following forms must be submitted to the Externship Coordinator on the first day of class:

- Physical Form
- Immunization Form
- Student Externship Information Form

*Students cannot register for this course through Bridge.
